

Identifying Risks and Vulnerabilities in Schools through Advanced Self-Assessments

- 1) Who we are
 - a) Individually
 - i) Tom Ducker
(1) Background and experience
 - ii) Eric Ahrens
(1) Background and experience
 - b) As an organization
 - i) California Office of Emergency Services
(1) Infrastructure Division
- 2) What we can do for you
 - a) Train your personnel
 - i) Administrative Staff
 - ii) Instructional Staff
 - iii) Support Staff
 - b) Security/Response Staff
 - i) District Employed
 - ii) Local Law
 - iii) Fire Department personnel
- 3) 3-day interactive class
- 4) Consisting of modules that may be adjusted to suit your specific needs
 - a) Scope of the issues
 - b) Current trends and responses
 - c) Risk assessment
 - i) Based upon an All-Hazards Approach
 - ii) How to compare and quantify Risk using DHS methodology
 - iii) Where to focus efforts
 - iv) How to justify and support mitigation options
 - d) Explosives and their effects
 - e) Crime Prevention Through Environmental Design (CPTED)
 - f) Bullying and Threats
 - i) Anti-bullying techniques
 - g) Threat assessment process
- 5) Interacting with first responders
- 6) Emergency operation plans
 - a) Evacuation
 - b) Reverse Evacuation
 - c) Reunification
 - i) Dual-gate
 - ii) Student accountability
 - d) Active shooter
 - e) Lockdowns
 - f) Three levels
- 7) School bus safety

- 8) Field exercise
 - a) A physical assessment of one or two local schools
 - b) Analysis and options to reduce vulnerabilities identified during the assessments
 - c) Presentation of the assessment findings
 - d) Justification of proposed mitigation options
- 9) What we provide
 - a) Instructors and their associated expenses
 - b) Materials
- 10) What you provide
 - a) Participants with computers
 - i) School Administrative staff
 - ii) School support staff
 - iii) Local first responders
 - b) Classroom
 - c) Projector
 - d) One or two nearby schools for assessment
 - e) Two responsible and knowledgeable personnel from each school
 - i) Principle
 - (1) Initial interview
 - ii) Head Maintenance person
 - (1) Physical walk of school grounds
- 11) Information from this course may assist with requirements of California Education Code Section 32280 Safe School plan
